EVENT DESCRIPTION:

Howard University's School of Business Office of Graduate Programs (MBA Program) cordially invites MBA candidates from the Washington, DC / Metropolitan Area's business schools to join us in this year's MBA Exclusive 2008. The 13th Annual MBA Exclusive is a three-day conference designed to provide corporate partners with access to a pool of talented MBA students, while increasing the visibility of the corporations among students, faculty, and staff at Howard University.

This event was designed to bridge relationships between America's leading corporations and the Howard University MBA program, while allowing students to showcase their skills and talents. This year promises to be the best MBA Exclusive yet, with the 4th Annual National Minority Supply Chain Case Competition and several networking events. This corporate-sponsored event features a Career Fair, Interview Sessions, Workshops, Corporate Breakfasts, Luncheons and Receptions. Schools invited to participate include Georgetown University, George Washington University, George Mason University, American University, University of Maryland, Bowie State University, University of District of Columbia, and Morgan State University, as well as institutions across the nation.
